Subject: Fall 08 Lab safety training sessions
Attachments: Fall 08.doc

Dear coordinators,

Hope your summer is going well. Enclosed is the new schedule for Lab Safety training sessions for the Fall semester. Please notice the different locations for departmental training. If anyone needs to sign up for those classes, please ask that they call as soon as possible. We will only register them if space is available.

We have added more sessions at 102 Draper hall (EHS training room) but this room only can contains 30 students, also first come first served. Space are very vital in those sessions, so please also ask that students or visitors who signed up *to call us if there is a potential no show*. We always have a waiting list if students cannot get into any or all sessions.

Thank you so much for your help. Enjoy the rest of the summer.
